

Carbon Literate Organisation

Accreditation Pack

Welcome to the Carbon Literate Organisation (CLO) pack. Only use this pack if you wish to apply to have your organisation accredited as a Carbon Literate Organisation.

The Carbon Literate Organisation (CLO) accreditation is the visible 'badge' that showcases an organisation as (i) committed to Carbon Literacy (CL), (ii) having a substantial number of people who are Carbon Literate, and (iii) having a commitment to support its Carbon Literate people and maintain its low carbon culture. An organisation uses this status to better interact with its communities – whether they are staff or customers, neighbours, learners, suppliers or stakeholders. There are four levels of accreditation; Bronze, Silver, Gold and Platinum, reflecting increasing levels of Carbon Literacy commitment and achievement within an organisation.

This pack contains everything you need to know to achieve CLO accreditation at Bronze, Silver, Gold or Platinum level.
